OFFICIAL

Drugs, Poisons and Controlled Substances Act 1981 (No. 9719)

Licence No. 22211174

- (b) The sale or supply by wholesale of the scheduled substances named in this licence must be carried out strictly in accordance with the *Drugs, Poisons and Controlled Substances Act 1981* and the Regulations made under the Act.
- (c)
 - (i) To confirm compliance with the requirements of Victorian Drugs, Poisons and Controlled Substances legislation, or to propose changes to elements of this licence, the holder of this licence must complete the relevant *change or review* form, available from the Victorian Medicines and Poisons Regulation website.
 - (ii) The person(s) named in the section of this licence titled "RESPONSIBLE PERSON(S)" have been delegated responsibility by the licence holder for overseeing compliance with legislation.
 - (iii) When any person named in the section of this licence entitled "RESPONSIBLE PERSON(S)" ceases employment with the licence holder or transfers to other responsibilities, the licence holder must, as soon practicably, notify the Department of Health about the change, by completing the *change or review* form, available from the Victorian Medicines and Poisons Regulation website.
- (d) The holder of this licence must maintain true and accurate records showing full details of transactions involving all poisons or controlled substances obtained, used in sale, supply or disposal. These records must be retained for a period of three years and produced, in writing, on demand to an authorised officer of the Department of Health.
- (e) The sale or supply by wholesale of the poisons or controlled substances named in this licence must be made in the unopened primary pack as received from the manufacturer or wholesaler.
- (f) The holder of this licence must ensure that the wholesaling operations are conducted in accordance with the current Australian Code of Good Wholesaling Practice for Medicines in Schedules 2, 3, 4 and 8.
- (g) The holder of this licence must ensure that all products obtained using this permit are stored under conditions that will maintain their stability and quality. In the event of circumstances arising which may compromise the quality of the products, the licence holder must not supply these products for use unless satisfactory quality has been confirmed.
- (h) The holder of this licence must notify the Department of Health of any requests for the supply of scheduled substances in quantities which appear to be inconsistent with the activities of the business for which it is being supplied.
- (i) The holder of this licence must ensure that any loss, theft or misappropriation of scheduled substances is reported to Victoria Police, and to the Department of Health.

This licence shall remain in force until 01/06/2022 next, unless renewed, cancelled, suspended or revoked in accordance with the provisions of the Act or Regulations thereunder.
